

Microsoft Teams Assessment

Accomplish more, anywhere

Bring your organization together with a shared workspace where you can chat, meet, share files, and work with business apps. Spend less time switching between applications, addressing setup and call quality issues, and more time on higher-value activities with your entire team. The possibilities are endless when you have somewhere to create and make decisions as a team.

TEAMS ASSESSMENT | WHAT'S INCLUDED

Softlanding's Teams Assessment utilizes funding from Microsoft to help your organization take its next step towards Microsoft Teams integration. Whether you're just getting started or have been planning your migration for a while, Softlanding consultants have the expertise to help with strategy, migrations, implementation, development, training, and more.

This Teams Assessment includes:

Business Leadership Workshop

- Engage with Business Leaders to develop use cases that are important to the business, showcase Microsoft 365 Teamwork capability that address customer needs and assist with customers adopting and onboarding key workloads. (e.g. Microsoft Teams).
- Create a Customer Success Solution Plan to tackle key areas of investment, highlight partner solutions that transform customers workplace.

Planning Workshop

- Deep dive into one of three workshops to finalize a plan to adoption and change management, modernizing calling and meeting rooms, or customizing business solutions.

ELIGIBILITY

- Organizations are eligible for a three-day assessment if they have at least 1000 seats of Office 365 with a quarter or more running Exchange Online
- Most other organizations are eligible for a shorter engagement; ask your Softlanding contact for more information
