

Windows 10 Modern Management FastStart

Five-Day Modern Management Pilot for Windows 10 and Microsoft Intune

Softlanding's Modern Management FastStart is a five-day Windows 10 Modern Desktop management overview and Proof-of-Concept (POC). This engagement will cover the deployment and management technologies available from Microsoft to rapidly manage Windows 10 devices, Policies & Compliance through the Azure Intune portal.

SCOPE OF WORK

DAY 1

Windows 10 Modern Management Overview & Project Planning

- Review the latest Windows 10 features
- Overview Intune & Windows 10 Mobile Device Management capabilities
- Plan for technical requirements for Modern Management POC

DAY 2-5

Microsoft Azure Intune Portal Assessment

- Activate and License Intune POC users with full assessment and review of current Azure Intune portal policies, management, and compliance needs

Windows 10 Modern Management POC

- Create Intune device management policies
- Create Provision Package (Including education custom settings)
- Configure Windows Updates for Business
- Configure Windows Defender AV Policies
- Compliance reporting AV & Software Updates (OMS)
- Configure & Deploy Office 365 on enrolled devices (Shared computer Activation settings)
- Configuration Windows Updates Client policies
- Configure Windows Store for Business or Education
- Roll-out pilot enrollment of POC devices
- Knowledge Transfer and Deployment Review

Simple, Flexible, Modern Device Management

Work on any device, anywhere, is the cornerstone surrounding Modern Management in Windows 10. Flexible management options, such as Intune, provide an effective, out-of-the-box experience as opposed to the traditional, complex, and costly management tools used today. With better control over managed devices on-premise, in the wild, and virtually through the cloud, your organization can support various operating systems across a wide range of device types.

About Softlanding

Founded in 2000, Softlanding helps organizations be their best by providing technology solutions and services that make them more productive. Areas of specialty include end-to-end Office 365 and Azure services, Microsoft Enterprise Infrastructure and Managed IT Services. As a recognized leader in empowering enterprises with solutions and services built on the Microsoft Cloud and on-premises platforms, Softlanding is a Microsoft gold partner proud to be named Microsoft 2017 IMPACT Awards 'Enterprise Cloud Platform Innovation' Partner of the Year.

Contact your Softlanding representative to see if your organization is eligible for the \$10,000+ available for our **Windows 10 Modern Management FastStart** offering
