

Copilot Adopt

Unlock the full potential of Microsoft 365 Copilot with expert training and coaching

Starting from \$4,000 CAD/Month

OVERVIEW

Achieve More with Copilot Adopt

Are you finding it challenging to maximize the benefits of Microsoft 365 Copilot? Whether you've been experimenting with Copilot with limited success, planning a full-scale deployment, or looking to expand its use across your organization, our Copilot Adopt service is here to help. We'll unlock the full potential of Copilot, driving business value and maximizing your return on investment.

OUR APPROACH

Our **Copilot Adopt** service is a recurring service designed to increase adoption and usage of Microsoft 365 Copilot across your organization, ensuring you effectively leverage its full capabilities.

Our approach goes beyond just implementation—we focus on helping your team harness Copilot's features more efficiently, aligning them with your business objectives to drive significant value. We understand that maximizing your investment in the tool is crucial, which is why we provide continuous support and expert guidance, helping you navigate challenges and uncover opportunities for growth.

With our service, Copilot will evolve into an integral part of your workflow, seamlessly empowering your team to work smarter, collaborate better, and achieve more. By fostering a culture of innovation and efficiency, we'll help your organization stay ahead in a competitive landscape, ensuring that you not only adopt Copilot but fully capitalize on its potential to enhance productivity and drive meaningful business outcomes.

BENEFITS

ACCESS TO MICROSOFT 365 COPILOT EXPERTS

Our Prosci-Certified specialists will handle this engagement to empower your team with the right tools and methods. Additionally, we collaborate with Brainstorm, our adoption platform partner to boost training and usage of Copilot for Microsoft 365.

IMPROVE PRODUCTIVITY & EFFICIENCY

With customized training and support, your team will quickly adopt Copilot, leading to streamlined processes, reduced manual work, and faster project completion.

ACHIEVE HIGHER ROI AND VALUE

Unlock the full potential of your Microsoft 365 Copilot investment across your entire organization by leveraging Copilot's features to drive operational efficiency and maximize your return on investment.
